Dear Tom:

This concerns Nevada Star's plan to transfer our Small Mine Permit # 001039 (OK Copper) to Western Utah Copper Company, which company, we understand, is posting a \$30,000 bond to convert the permit to a Large Mine Permit.

This paper work was to have been completed by July 15, however it has not been completed, and we request an extension to July 31.

Sincerely

Stuart Havenstrite
